Diamond Anniversary Committee General Co-Chairmen

John F. Gillespie

J. Ferdinand McConnell

HON. WILLIAM I. TROUTMAN
President

GREETINGS

It is a pleasure to greet you on our Diamond Anniversary. I hope that it will prove to be a memorable occasion for all of us and serve to strengthen the bonds of friendship and instill within us an active interest in education.

Due to the large number attending this anniversary reunion, it was found impossible to serve our usual banquet so we settled for an attractive box lunch.

Your donation of \$2.50 covers not only the cost of the lunch but your share of all other necessary reunion expenses, such as the printing and mailing of more than 6,500 invitations, decorations, gifts to the anniversary classes, souvenir button, this program, orchestra, alumni awards to the graduating class and many other incidentals.

ALMA MATER

Hail our noble Alma Mater,
Rich in memories dear,
Praise be thine from son and daughter
Through each passing year.

Proudly raise our voices o'er her,
Great her worth confess.
We forever shall adore her,
Dear old S. H. S.

George R. Booth '09 - Joseph Curilla '44

REVOLVING LOAN FUND

Insufficient finances have frequently prevented our graduates from pursuing college careers. This has been especially true of our young women graduates who desire to study nursing.

As a special feature of our 75th Anniversary, the Alumni Association is attempting to raise a REVOLVING LOAN FUND to help worthy students achieve a college education. A considerable sum of money will be required to establish a worthwhile REVOLVING FUND. To get this plan off to a real start our goal is \$75,000.00, representing \$1,000.00 for each year of our organization's life.

We already have received several substantial contributions but we need YOUR individual cooperation AND gift to raise this sum.

IN MEMORIAM

*They are not lost who find the sunset gate;
The goal of all their faithful years
Not lost are they who reach
The summit of their climb
The peak above the clouds and storms.
They are not lost
Who find the light of sun and stars and God.*
