

105th ANNUAL REUNION
Shamokin Area High School
Alumni Association
SATURDAY, MAY 28, 1988

President's Message

I would like to extend a warm welcome to all alumni and friends. Thank you for coming. A special welcome is extended to the anniversary classes and the new Alumni Class of 1988. I hope that you will enjoy your reunion, spend some time with friends and spread the word to alumni who are not in attendance. Many graduates look forward to meeting friends and former classmates. This reunion is a good time to reminisce about the times past.

This is the 105th Reunion of the reportedly oldest active alumni association in the United States. We should be proud of our organization and its projects, especially the superior job it has done in providing scholarships for outstanding students.

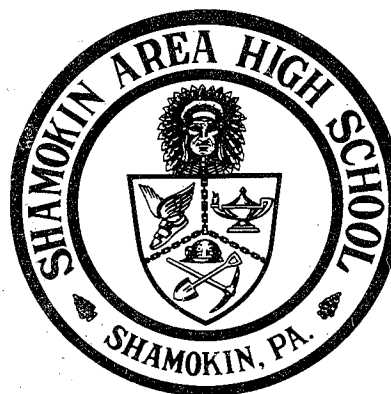

I would like to thank the Alumni Association officers, committee people and class officers who have been a great help to me this year. At the organization meeting held in September I said that I didn't think we should make organization changes if the present system is working. I have found that the association is working very well. The nucleus of officers and committees spends many hours putting this event together, sometimes receiving very little thanks or recognition for it. To them I would like to say a very special thank you.

Thank you for coming - have a good evening - and see you next year.

Sincerely,
Terry L. Moll, President
