

115th ANNUAL REUNION SHAMOKIN AREA HIGH SCHOOL ALUMNI ASSOCIATION

SATURDAY, MAY 23, 1998

PRESIDENT'S MESSAGE

Welcome to the 115th Shamokin Area High School Reunion

On behalf of the entire executive board and committee members of the SAHS Alumni Association, I am proud to extend a heart-filled welcome to all of you at this year's celebration. It's hard to believe that a year has passed since last we've gathered.

Tonight we are all very proud to welcome our newest members to the alumni association, those from the class of 1998! As you complete this part of your journey and move on to another, may you be blessed with happiness and good fortune for the days ahead. Members of the class of 1998, take a good look around the room this evening. As you will see, special friendships can go back a long, long way. May you all be as fortunate as the rest of us in this room by enjoying that amazing experience.

It has been an honor to serve as this year's President. All of the work required to run the organization is really performed by the committee member volunteers. Although they are few in number, they certainly do the work of many. The best way for all of us to truly show our appreciation for all the hard work done throughout the year is for everyone to have a great time this evening! Please kick back and relax; enjoy the good food, music, entertainment, and reminiscing with old friends. We hope you will all stay for the After Glow party immediately following the business meeting.

Finally, thank you for being a part of this magical evening. My hopes are that tonight will add yet another page into your special memory collection as part of the Shamokin Area High School experience. Best wishes for a safe, healthy and successful year ahead!

Warm regards,

Nick Keiser

ALMA MATER

Alma Mater Dear, we sing to you
With devotion deep and true,
Your colors bright -
The Purple and White,
Will stir our hearts anew
Shamokin Area High School
We give thanks and honor due
Though changes come as time rolls on,
We'll always be loyal and true.
