"NOBODY KNOWS"

By Billy Squier

CLASS SONG

I may get around...I may laugh a lot...
Now you'd think that I'd be happy with the life I got,
Nobody knows...nobody sees...
Ain't nobody really knows the inner side o'me...

I may seem secure...I could have it made...
You might think you see a lucky man
who made the grade...
Nobody knows what dreams I see...
Ain't nobody really sure just who they wanna be...

But everybody has a place and time...
A chance to live...a need to find...
We all got somethin' that we care about...
I propose you find it out...

It's not in a book...or a magazine...
or the stars who guide our fortunes
on the silver screen...
Nobody knows...it's up to me...
Ain't nobody who can say it like it ought to be...

I see my future at the rainbow's end...
Happy hours... timeless friends...
and if I ever chance to find my way...
Rest assured...I will stay...

You may see your life as a compromise,
You may live to find the promise dancin' in your eyes.
Nobody knows...it's meant to be...
Let the magic of the moment say it all to me.
