

THAT'S WHAT FRIENDS ARE FOR

And I—never thought I'd feel this way
And as far as I'm concerned—
I'm glad I got the chance to say
That I do believe I love you

And if—I should ever go away
Well then close your eyes and try—
to feel the way we do today

And then if you can remember
Keep smiling—keep shining
Knowing you can always count on me—
for sure
That's what friends are for

For good times—and bad times
I'll be on your side forever more—
that's what friends are for.

Well you came and opened me
And now there's so much more I see
And so by the way I thank you

And then—for the times when we're apart
Well then close your eyes and know
These words are coming from my heart
And then if you can remember

Keep smiling—keep shining
Knowing you can always count on me—
for sure
That's what friends are for

In good times—in bad times
I'll be on your side forever more—
that's what friends are for

Keep smiling—keep shining
Knowing you can always count on me—
for sure
That's what friends are for

In good times—in bad times
I'll be on your side forever more—
that's what friends are for.
